

4. Give an example of a meteor being seen as an omen, was it a good or bad sign? Why?

5. Fill in the blanks:
 - a. The Inuit made _____ and cutting edges for tools using the fragments of the _____ meteorite, as a _____ source. Forging them through _____ - _____ methods of stamping and hammering, using _____.

 - b. The _____ meteorite is believed to have been used to make the ' _____', a Buddha statue from around the 11th century in _____.

6. Why do you believe such strong connections have been made between meteorites and religion/spirituality? Give some examples of where this has occurred.

Further Activities:

- Complete your own **meteorite research**, reading through some of the sources and further reading suggestions, and then try and **write your own article**, for a newspaper, magazine or website, about meteorites and their uses at a particular time or about the properties and types of meteorites.

The online observatory collaboration consists of the following partners:

Baldone Observatory, Brorfelde Observatory, Cardiff University, Harestua Solar Observatory, Helsinki Observatory
